Important Notes About The Event

1. Field limits are:

10-12/13-14 – 14 Riders

15-16/17-18 – 18 Riders

In the event we exceed the maximum amount of riders in a field, the omnium standings will determine riders who will compete in the mass start events for the 17-18 and 15-16 aged categories. 10-12 and 13-14 races will be split into 2 groups and race 2 scratch races with the top 14 advancing to race the points race.

2. All riders competing must have ridden previously at the Dick Lane Velodrome or another velodrome, to be eligible to race. A DLV beginner's class or a minimum of four Bicycle Little League/Frazier Cycling sessions must have been completed for riders aged up to 16 years of age and a beginner's class must have been completed for riders aged 17/18. Any riders with questionable equipment or riding ability will be asked not to race at the discretion of the head official. ATRA rules apply.

3. Velodrome bicycles will be available for use during this event. We do have a limited supply of bicycles, in the case that we run out of bicycles, riders will be asked to share their bicycles with another rider in order for everyone to get the chance to ride and race. Due to the velodrome bikes gearing, 10-12 gear restriction will be enforced at the 13-14 rollout distance.

4. Due to the different levels of riders for the event we'll be running a segmented warm-up for all of the riders. All riders will be asked to leave the track promptly at 4:00pm. 17-18 and 15-16 age group riders will have 15mins to warm-up between 3:30pm and 3:45pm at which time all riders in age groups 13-14 and 10-12 will have 15mins to complete their warm-up.
