

# GEORGIA RIDES TO THE CAPITOL

## MARCH 23, 2010

Join more than 1,000 cyclists for  
"GEORGIA RIDES TO THE CAPITOL!"

**What:** Raise support for improved conditions for bicycling in Georgia, including the development of regional systems of both on-road bicycling facilities and multi-use trails.

**Where:** Riders will leave from Roswell at 9:45 a.m. or Decatur at 10:45 a.m. and converge at the Capitol at 11:40 a.m. The police escorted rides (one way) will be led by Roswell Mayor Jere Wood and Decatur Mayor Bill Floyd, as well as other elected officials and agency directors from the region and state.

**Supported by:** The Metro Atlanta Mayors Association (MAMA), Georgia Bikes! and others with more than 1,000 cyclists from the metro Atlanta region.

Ride Georgia's biggest one-day cycling advocacy event! The ride is free to participants thanks to gracious sponsors and volunteers. BikeMS will be providing a "bike event style, food-and-drink rest stop" at the Capitol free to all riders. Registered riders are covered by event insurance. You can register on the event web site. While the event is free, rider support is encouraged. Please consider a \$10.00 (or more) contribution to help cover event expenses. You can contribute via PayPal or credit card on the event web site. Come join us on Tuesday, March 23rd and help us raise support for better bicycling in Georgia!
