ATTENTION ALL Riders

Gates and Registration Open at 2:00p.m. No one except for vendors will be allowed in before this time! Registration closes promptly at 3p.m. **NO LATE REGISTRATION.** It is too disruptive to officials and volunteers trying to keep racing going to try and register riders after racing is underway. If you wish to race Saturday and will be late, you must register on Friday Night.

ATTENTION Visiting Riders and Women's OPEN RIDERS:

The EPVA uses unique categories and this will not be a USAC race. To race at the A, B, C or Women's level you must have raced at the Dick Lane Velodrome at least 4 times within the last year, or submit a race resume and references. If you are unsure, please contact Pete Antonvich, pete@dicklanevelodrome.com well in advance. Any riders with questionable equipment or riding ability will be asked not to race at the discretion of the chief official or race promoter. Please do not make the Pro Race weekend your first racing weekend at the Dick Lane Velodrome.

NO QUICK RELEASE WHEELS AT ANY TIME BOLT ON ONLY

Promoter reserves the right to combine fields and reduce prize list in the event of 12 or less riders per field. Race times are approximate and may change. This is an ATRA insured event.

Official Communique # 1

Rules to understand:

- **WHEEL RACE RULES**

Racers can only do one scratch to qualify

4 Laps

Riders need to bring a holder. Pushing allowed

Promoter sets the handicap and placing of riders.

- 2C4. Free laps up to a distance of 1300 meters (4 laps) may be taken in a case of a mishap. Upon returning to the track, the rider will assume the position (s)he occupied prior to the mishap. Riders taking free laps may not return to the track in the final kilometer. Riders who suffer a mishap and do not return to the track will not be placed.

What is a mishap?

- Mishap: A crash or a mechanical accident (tire puncture or other failure of an essential component). However, a puncture caused by the tire coming off due to inadequate gluing is not a mechanical accident, nor is a malfunction due to missassembly or insufficient tightening of any component. A recognized mishap is a stoppage that meets the above conditions. An unrecognized mishap is a stoppage where the above conditions are not met.
- Competing without valid entry into race is fined \$15
- Riders may not delay competition (untimely reporting for equipment verification, not reporting as scheduled or taking too much time to get ready). \$20 fine for each offense.
